

ICT Trading Models

Sept 9th session

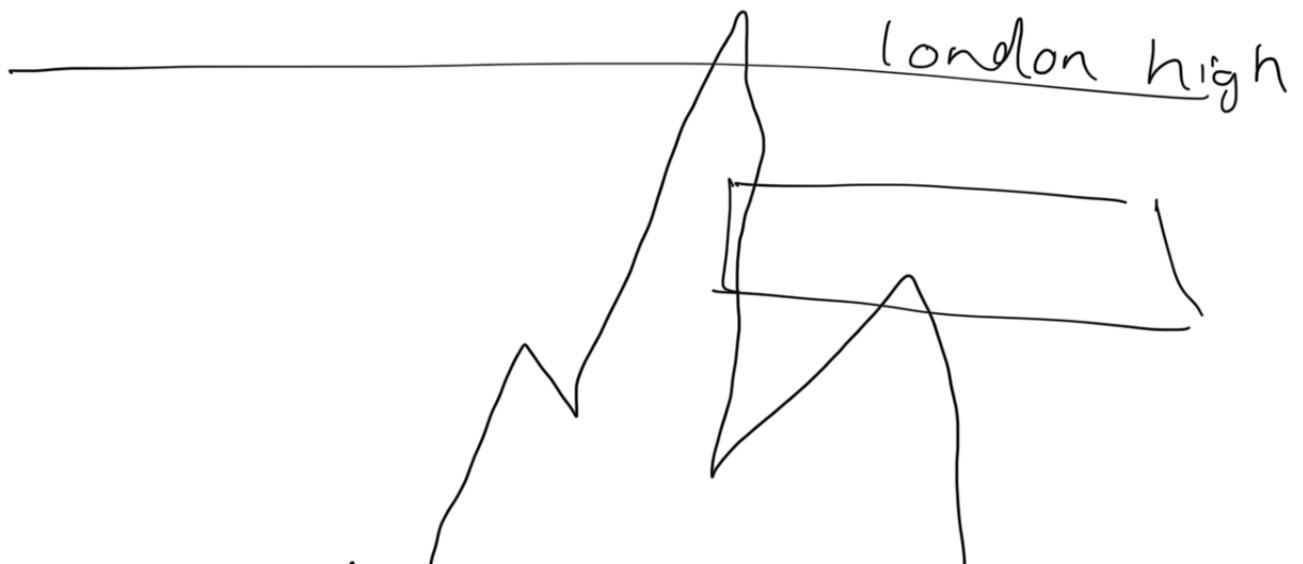

do not enter here because

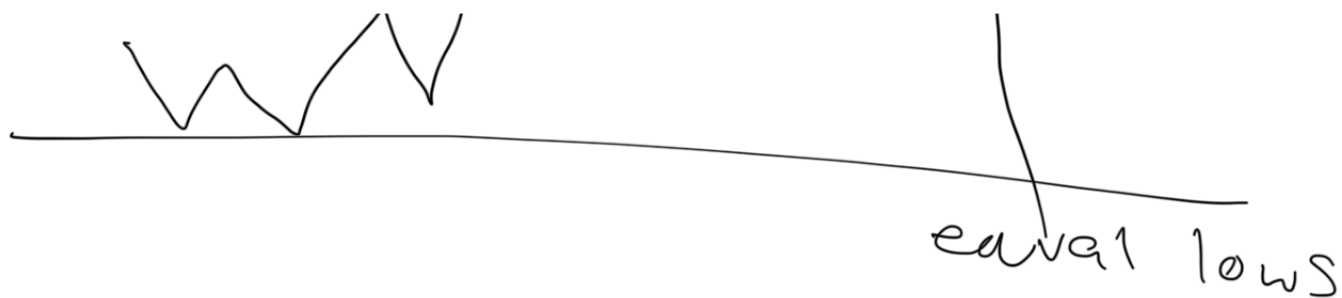

... 1 1 1 ...

we did not swing
through liquidity

- some liquidity swing entries.
- high of day
- low of day
- HO week
- LO week
- London low/high.

_____ HO D

- took out some liquidity
Can still short.
- if we don't see a mss
at london high, wait for HOD
- we still need to have good
liquidity below.
- important to check different
time frames to correctly
identify strong FVG
and strong liquidity sweeps
